About R. L. Law College: Tells you about the establishment and evolution of R. L. Law College

RLLC DL Documentation: Greenstone manuals

Raja Lakhmangouda Law College, Belagavi is the oldest law college of Karnataka. Established in the year 1939 it is dedicated to provide quality legal education to the aspirants of this part of the Country. It has a rich library containing more than 40,000 books, several Law reporters and Law Journals. In addition to these, several journals and periodicals necessary for pre-law study and several books and periodicals of general interest also.

This Digital Library is created using the open source software Greenstone Digital Library (GSDL). The aim of the software is to empower users, particularly in universities, libraries, and other public service institutions, to build their own digital libraries. Digital libraries are radically reforming how information is disseminated and acquired in UNESCO's partner communities and institutions in the fields of education, science and culture around the world, and particularly in developing countries. We hope that this software will encourage the effective deployment of digital libraries to share information and place it in the public domain.
