TABLE OF CONTENTS

SL.NO.	PARTICULARS	PAGE. NO.
1.	GEOTAGGED PHOTOS OF SOLAR PANNELS AT BOYS AND GIRLS HOSTEL	2
2.	LED BULBS USED ON THE CAMPUS	3

SOLAR PANNELS AT BOYS AND GIRLS HOSTEL

Solar water heating system is a device that helps in heating water by using the energy from the SUN. The college has installed solar water heating system at the Boys and Girls hostel.

LED BULBS

College is using LED bulbs. which consume lesser electricity vis-a-vis illumination and result in lesser energy utilization. The College has installed the LED light in the Platinum Jubilee Building for low consumption of energy and replace the old light systems as and when required with LED light.

Subject: Change in quantity of lights for KLS main Entrance Gate.

Reference: Supply Order (KLS/JB/924/2017-18) dated 13.10.2017
Item No 2. Orion55, Linear 1-feet 7W

SOCIETY	
THAKURJI BELGAUM	
I. W. No 1767	
DATE 23-11-2017	
Signature	<i>[Signature]</i>

Dear Sir,

Greeting from Patronik Lighting.

For the main entrance, as per initial planned quantity. In co-ordination with Kambhavi architect the number of lights was proposed to 22, but after installation the illumination was found very dull and low. So it was very necessary to increase the number of lights to obtain sufficient light. With additional 24 lights the illumination is found to be ok. So the quantity has been increased from 22 to 46 lights. The same has been tested on-site and illumination was sufficient. Below is the amount difference that would occur.

	Supply order	Revised
Qty	22	46
Unit price	2,780	2,780
Less Discount Price	34,861.2	72,891.6
Total with tax 12%	39,044.544	81,638.59
Difference Amount		42,594/-

We request you to please consider this change in quantity.

Thank you.
Best Regards
Patronik Lighting

Date 23-05-18	
Signature <i>4bubed</i>	

Subject: Burn-out of Lights above Main Entrance Gate.

Dear Sir,
Greetings from Patronik Lighting.

We have carried-out inspection of the 7 LED Lights above Main Gate as soon as we received the complaint from you.

We regret to inform you that the failure has occurred due to severe heavy Lightning and thunder storming happened during 10th-12th May. Though our Lights have surge protection; the Lightning have exceeded the threshold and have caused the damage. As Lightning is a Natural-Disaster the light cannot be repaired under warranty. Hence we request you to please consider attached minimal estimation for carrying-out repair of the lights.

As a pre-caution, we recommend to turn-off the lights during occurrences of Lightning.

Thank you.
Best regards,
PATRONIK LIGHTING
