Sub : Parking of staff vehicles

It is observed by the Management that the staff members are parking their vehicles at door-step of their respective Institution and it is also noticed that the vehicles are not parked systematically on the approach road of the Institution. It is causing obstacle for movement of people coming to the campus and gives indecent look to the campus.

Hence, The HOI of RLLC, GCC and VPP are requested to issue directions to their staff members not to park their vehicle on the approach road/door-step of the Institution. The separate parking arrangement for staff has been made in front of RLLC building accordingly staff members should adhere to park their vehicle in a systematic manner failing which the matter will be viewed seriously. "No Parking" boards may be displayed where the parking is prohibited.

Your kind attention is invited to this Office Circular No.KLS/C-15/2018-19/483 dated 09.07.2018 (Copy enclosed) where in it is informed that the parking arrangement for staff vehicles has been made in front of RLLC building. In spite of this it is noticed that, the staff members are parking their vehicles at door-step of their institution, on approach road and under the stair case of Platinum Jubilee building.

It is also observed by the Management that staff members are parking their vehicles around Jubilee building and GCC Library building which gives indecent look to the campus. It is causing obstacle for smooth movement of people coming to the campus.

Hence, Hol's are once again requested to issue strict instructions to their staff members to park their vehicles as per the arrangement made vide circular dated 09.07.2018. "NO PARKING" boards may be displayed where the parking is prohibited.

Immediate action may take in this regard failing which the matter will be viewed seriously.

Yours faithfully
