

## CRITERION -2

### *2.6.2 - Attainment of Programme Outcomes and Course Outcomes are evaluated by the institution.*

The level of attainment of Program Outcomes, Program Specific Outcomes and Course Outcomes are measured using various indicators throughout the semester of the academic year. The faculty records the performance of each student with the help of the specified course outcomes through a continuous evaluation process.

The faculty provides home assignments to students, conducts internal tests, viva voce, surprise tests, projects etc. in order to assess the Programme Outcomes and Programme Specific outcomes attained by each student.

Some of the key indicators of measuring attainment are:

1. **End Semester University Examination:** Being a constituent college of Karnataka state Law University, Hubballi, the students of Raja Lakhamgouda Law College Belagavi are required to take examinations as per the semester and annual pattern set by the university, through which the institution measures programme outcomes based on the course attainment level fixed by the programme. The theory exam of 80 marks is completed at the end of the semester.
2. **Internal Assessment** The first internal examination is conducted between eighth and tenth week of every semester and second internal examination is conducted between twelfth to fourteenth week of every semester as scheduled in the academic calendar. Along with this, written assignments and seminars are an integral part of CIE, where the respective course teachers exercise their judicious judgment and provide an opportunity to the students to pick and work on a wide range of co-curricular aspects related to the course for their internal assignment which motivates the students to learn beyond curriculum

as a part of CIE. The teachers are required to prepare the question papers in the subjects taught by them and communicate to the internal assessment committee of the college. The institution adheres to the norms prescribed by affiliating university with respect to Continues Internal Evaluation (CIE) System. The students are required to attempt a 20 marks internal assessment which includes a 10 marks internal exam and 5 marks of seminar presentation and a hand-written assignment of 5 marks.

3. **Result Analysis:** At the end of each semester, result analysis of each programme is shared by the affilaitaing university. This is an effective indicator in order to evaluate the level of attainment of POs, PSOs and COs as specified by the university.
4. **Internships and Placements:** Students are encouraged to take up internships, projects, fieldwork, etc. The Placement Cell of the college helps and polishes the students according to industry standards and provides ample opportunities for students to get placed in esteemed companies. This helps them to obtain necessary skills and practical experience in their chosen discipline.
5. **Students Acheivements in Competitions outside college:** The students are encouraged to take part in the competitions outside the campus in other colleges. These activities help the students to explore different places and helps build the confidence of the students. The programme outcomes can be analysed by the number of students which have achieved success in various competitions outside college.

Respected Sir,

We took a meeting with the students who desire to do their internship at Bangalore in the month of February (15<sup>th</sup> January 2019 to 15<sup>th</sup> February 2019). We have given them the Letter of Undertaking (LOU) and asked them to return with the consent of their parents. I am attaching the sample of the undertaking for your kind reference. After receiving the undertaking form each, we will be getting the exact number of students who will be interning in Bangalore.

Sir, many students were inquisitive about the area these law firms will be located, as they need to arrange for their PG and also to tell to their parents as to where they will be put up. Therefore, I kindly request you to share the names and addresses of the prospective law firms, so that I share the same with the students.

We have spoken to the students, and they will be coming with the undertakings by 5<sup>th</sup> December 2018. After that, We will be selecting and referring them to each law firm.

Hoping for the Best!

Sir, thanking you for all the support and encouragement,

Sincerely,

Dr. Samina Nahid Baig

Respected Sir,  
I would like to make a slight correction in the time period of internship mentioned in the earlier mail. As we got an official intimation from the university that the classes for the next semester would commence from 1 February 2019, therefore the internship period will be for 15 to 20 days, starting from January first week till 31st January 2019. The students will be completing their exams on different dates in the first week of January, therefore, as and when they will be completing, we will be sending them for interning.  
Sir, We are already in the process of collecting the Letter of Undertaking from the students. The final number will be intimated after 5th Dec 2018.

Thank you sir.  
Kind Regards,  
Sincerely,  
Dr. Samina Nahid Baig.

Dr. Samina

Greetings.

Sure, will do that. But I need a couple of days to do that. I am unwell for the last couple of days. Will ask my office to send you the list of the law firms, where our law students can't intern, after I have spoken to the persons concerned therein.

Thanks & regards

Pramod N. Kathavi.

Karnatak Law Society's  
**RAJA LAKHAMGOUDA LAW COLLEGE**  
Tilakwadi (East), BELAGAVI- 590 006

**REPORT**

On 28-02-2018, faculty coordinator Dr. Samina Nahid Baig visited IMER along with 10 students to have an interaction with the Training and Placement Officer, Mr. Ignesh Sakri. The students interacted and had a fruitful one hour session with Mr. Ignesh Sakri.

The following points were discussed between Dr. Samina Baig and Mr. Ignesh Sakri.

1. To build a road map for setting up a fully fledged **PLACEMENT OFFICE** at R.L.Law College Belagavi, as soon as possible.
  2. To screen the final year students and give them training at R. L. Law College with the Help of Mr. Ignesh Sakri.
  3. To try and invite with the help of the placement cell of I.M.E.R, some H.R company and conduct Campus Interviews for the final year students with the official permission of concerned higher authorities of both the institutions i.e. RLLC and IMER
- The faculty coordinator would start screening the final year students and arrange for a training session with Mr. Ignesh Sakri with the official permission of concerned higher authorities of both the institutions i.e. RLLC and IMER.

## I- REPORT- PLACEMENT CELL

I am submitting the report relating to the two meetings, I had with the placement officers of I.M.E.R and Gogte Institute of Technology (G.I.T) on 28/02/2018 and 03/03/2018 respectively.

Sir, I had a detailed discussion with both the placement officers Shri Ignesh Sakri of IMER and Shri Satish Hukkeri of GIT. The following points were discussed with them.

1. To build a roadmap for setting up a placement cell at R. L. Law College Belagavi as soon as possible. The two placement officers have offered their full support and guidance in setting up this cell at R. L. Law College.
2. The first step which has to be taken is the **screening of the students**. The target students are the Final Year Students ( VI Semester of 3 year LL.B., X semester 5 Year B.A.LL.B., B.B.A LL.B.) and the students who will be in the Final year in the coming semester (IV Semester of 3 year LL.B., VII semester 5 Year B.A.LL.B., B.B.A LL.B).

Sir, I am planning to start with the screening of the students via personal interviews with them from the **23<sup>rd</sup> March 2018**. This would help us to identify students as to who would be interested in taking up the placement in law firms and other companies.

Sir, the next step would only start when we get a good number of students for whom placements can be arranged. And also I feel that we can arrange a training programme for the junior students who would take up placements next year.

Sir, I am seriously hoping that this initiative which we have started is a great success.

With Warm Regards,

Sincerely,

Dr. Samina N.Baig

II. REPORT- PLACEMENT CELL

I am submitting the report relating to the screening of the students which was conducted on Saturday, 24<sup>th</sup> of March, 2018.

Sir, the screening was conducted for the Final Year i.e. the VI Semester of 3 year LL.B., X semester 5 Year B.A.LL.B., B.B.A LL.B. Students. The details are as follows:

S.NO.	SEMESTER	TOTAL NUMBER OF STUDENTS	NUMBER OF STUDENTS ATTENDED THE SCREENING	STUDENTS INTERESTED IN GETTING PLACEMENTS THROUGH COLLEGE
1	3 YEAR LL.B	45	19	12
2	5 YEAR LL.B	14	1	0
3	5 YEAR B.B.A LL.B	7	4	2
	<b>TOTAL</b>	66	24	14

Sir, we have received 14 positive responses from the students which is a very good sign. We are hopeful of getting more as the screening was carried out on Saturday and many students had left for their hometowns. As we start working on the placement cell and also when we call for the second screening, we are genuinely hoping to get more students.

Sir, before we approach the prospective Companies, Law Firms or LPOs, I am planning for a second screening of students to know more about their field of interest, their strengths and weaknesses. Sir, with your permission, we would like to include the present placement committee of the college which would be working for - continuous career counselling for the students; arranging screening of the students periodically; arranging grooming and training sessions of the students for the placements (so that their chances of selection increase) and most importantly coordinating with prospective Law Firms, Companies and L.P.Os for the placements of the students. These works will be allotted to each faculty member of the committee. We have called for a meeting on 3<sup>rd</sup> April to discuss the said workings.

Sir, I will be updating you regarding this at regular intervals.

With Warm Regards,  
Sincerely,  
Dr. Samina N.Baig
