Does the course content fulfill the need of students?

18 responses

Does the Curriculum enhance the future prospects of the students?

18 responses

SUGGESTIONS BY TEACHERS

Some practical aspects of the subjects may be added to the syllabus.

1. Students need to be practically oriented rather than theory.
2. As far as Law of Taxation subject is concerned, the course syllabus is huge covering entire Direct Tax, GST plus Customs in a matter of 3 months duration is challenging n at the same time ,learning only provisions without practical application won't suffice the knowledge gained. So i would like to suggest splitting Direct Tax and Indirect Tax (with some Practical approach) between 2 different semesters.
3. Nil
4. NA
5. Subjects should be more practical rather than theoretical. And need to revise the syllabus
