SUB: SUBMISSION OF STAKEHOLDERS FEEDBACK ON CURRICULUM OF THE COLLEGE

Respected Sir,

As we are affiliated to your esteemed University, we would like to submit the feedback taken from our students, alumni and teachers on the curriculum prescribed by the University.

Below are some issues identified by the stakeholders which we would like to submit for your kind perusal:

1. The curriculum must have more practical orientated activities.
2. More Scope must be given to experiential learning.
3. Study tours to Supreme Court and High Courts must be included in the curriculum for gaining practical knowledge.
4. New courses on Medical Laws, Cyber Laws, and other new arenas must be introduced.

Hope you will consider these suggestions while reforming the curriculum of the programmes and courses in future.

Thanking You,

Sincerely,

Dr. A. H. Hawaldar
