Suggestions, if any:

Syllabus and system both the essential aspect needs to berevised for the sake of betterment! Thanks
The College and staff has helped me achieve my dreams
Need more practical knowledge only that can help in this profession of law.
No
Nothing
Make entrance Exam to LL.B
Good
Give more practical knowledge about the court proceedings.
Practical work should be thought more than the theoretical work to students because the field of Legal
Exlent
.

After studying in this college for 5years, all I want to say is- "All work and no play makes jack a dull boy."

1. Increasing use of modern teaching tools, no more blackboard methods to provide students with easy to understand notes. Prof. SS Hegde's model should be adopted. 2. Finishing school/courses during semester end vacation to teach students extra skills such as typing, English, research, court procedures. 3. High importance to internship and placement cell by changing the lecturer in charge to oke that will take a pro-active approach towards arranging internships. 5. Legal aid clinic run by students in the college campus for free legal advice

It is necessary to Provide other than theoretical knowledge.

If possible, provide additional reading material regarding the curriculum
