In spite of this it is noticed that, the staff members are parking their vehicles at door-step of their institution, on approach road and under the stair case of Platinum Jubilee building.

It is also observed by the Management that staff members are parking their vehicles around Jubilee building and GCC Library building which gives indecent look to the campus. It is causing obstacle for smooth movement of people coming to the campus.

Hence, Hol's are once again requested to issue strict instructions to their staff members to park their vehicles as per the arrangement made vide circular dated 09.07.2018. "NO PARKING" boards may be displayed where the parking is prohibited.
